

The Wheel Specialist

ALLOY WHEEL REFURBISHMENT
& CUSTOMISATION

This is an opportunity to join The Wheel Specialist, which is the UK's leading alloy wheel refurbishment specialist providing a professional service that transforms the look of any car.

Are you interested in working with all types of prestigious cars from one day to the next? If so, then this could be the opportunity for you. We are looking for motivated individuals to join our team. You will be joining a well-established and respected team of Wheel Refurbishment experts with a true national footprint and over 55 years' experience. You will receive complete training enabling you to transform the look of a customer's car by giving their worn, corroded and damaged wheels a complete refurbishment.

You will also be able to help personalise the customer's car by offering a wide range of finishes and colours that will help them achieve the individual look they want, including powder coating as well as diamond cutting.

You will need to be:

- Mechanically minded with a possible, but not essential, engineering or automotive background.
- Passion for cars.
- Good communicator.
- Able to follow procedure manuals and instructions.
- Flexible and adaptable.
- Hard working and willing to multitask.
- Physically able to lift and carry up to 20kg on a regular basis
- Tyre bay experience / Automotive Knowledge Advantageous.
- Basic computer skills are beneficial.

This is a full-time role with approximately 45 hours available (tbc). Some weekend work may be required. A major part of this role will initially be wheel removal, tyre removal / refitting with a view to develop into different aspects of the process for the right candidate.

Please send your CV or application letter including any relevant experience and your availability.
